## **Important Notice Regarding Upcoming 3G/4G LTE Changes**

**The end of 3G is fast approaching and as a result your customers' Cellular Select Gate product requires a service upgrade by 2022**

- ✓ **A proactive PCB upgrade approach is highly recommended to ensure uninterrupted cellular service & communications.**
- ✓ **As an SES authorized dealer, it is imperative to start transitioning your customers' 3G equipment before the network carrier support ends.**
- ✓ **An upgrade kit has been developed to make the transition as easy as possible. Upgrade kit part# [SGCLCON3G/4GKIT](#)**
